Good afternoon,

The Online Services Branch manages a number of Whole of Government services for collaboration and web site hosting. We would like to request that the following 2LD's be reserved for our use and importantly to prevent confusion with our current services;

govcms.au
govteams.au
govspace.au
govdex.au

As a general rule we believe any 3LD gov.au domain starting with gov or containing gov or government should be reserved for use by the agency managing those existing services.

Regards,
Eric
