To the auDA Industry Advisory Panel,

Thank you for the opportunity to respond to the 2012 Industry Advisory Panel Draft Recommendations (September 2012).

We wish to respond directly to:

Issue 1. The method of 2LD registry operator selection/appointment post-2014 Cheaper Domains Pty Ltd supports Draft Recommendation 1A, that being for auDA to initiate renegotiations with AusRegistry to extend contractual arrangements.

Furthermore, we recommend a 4-year extension to best ensure the continuity of service from a proven Registry provider and industry participant. –

Best regards,

Rod Keys
